

Planning ahead for your changing needs

We need your views.

Find out more and complete the survey online at:
www.gloucestershire.gov.uk/housing-with-care

What has it got to do with me?

You may be:

- Retiring and thinking about your next steps
- A carer looking after a friend or family member
- Finding it hard to get around your home
- Feeling isolated in a community that's changed

Whatever your circumstances, housing with care may be something you need to think about now or in the future.

The survey is open until Monday 4 June 2018.
